

# AAKASH KUMAR

Data Science & Business Intelligence Professional

aakashsre4@gmail.com | +91 9458045945 | Delhi (NCR) | github.com/Aakash9458 | linkedin.com/in/aakash-kumar-679921214

## PROFILE

Aspiring Data Science and Business Intelligence professional with hands-on experience in Python, SQL, Power BI, Data Analytics, and Generative AI tools. Skilled in data visualization, dashboard development, and problem-solving with a strong interest in Machine Learning and AI-driven solutions. Eager to contribute analytical and technical skills in a growth-oriented organization.

## SKILLS

### Programming & Query

• Python • MySQL • Advanced Excel • DBMS • Microsoft 365 • Power BI • Data Analytics • Generative AI • Machine Learning

### Tools

• Git & GitHub • VS Code • PyCharm • Jupyter Notebook • Google Colab

### Other Technical

• Data Cleaning & Preprocessing • AI Prompt Engineering • KPI Reporting • Data Visualization • EDA • AI Tools & Automation

### Soft Skills

• Active Listening • Collaboration • Leadership • Analytical Thinking • Problem Solving • Attention to Detail • Time Management • Critical Thinking

## CERTIFICATIONS

### SQL for Data Science

UC Davis • Coursera

### HTML, CSS & JS for Web Developers

Johns Hopkins • Coursera

### Introduction to Python

Data Flair

### Introduction to Advanced Java

Data Flair

### Adv. Diploma in Web Designing

Soft Spec Institute • 84.17%

## TECHNICAL INTERESTS

- Data Science & Analytics
- Artificial Intelligence & Automation
- Business Intelligence
- Machine Learning
- Data Visualization

## EXPERIENCE

### Data Science Intern

*IncodeVision | Jan 2026 – Feb 2026*

- Completed 1-month internship on Data Science fundamentals and practical applications.
- Worked on data analysis, data handling, and end-to-end problem-solving tasks.

### 1-Year Industry Training — Data Science & BI

*CETPA Infotech Pvt. Ltd., Noida*

- Completed comprehensive training covering the full DS & BI stack.
- Covered Python, Power BI, EDA, ML fundamentals, KPI Reporting, and more.

## PROJECTS

### HR Data Analysis & Dashboard

*Excel • Data Analysis*

- Analyzed HR datasets for employee distribution, attrition, and demographics.
- Built interactive dashboards with slicers and filters for dynamic reporting.
- Visualized key HR KPIs to support workforce planning and management decisions.

### Boat Sales Data Analysis

*SQL • DBMS*

- Sales analysis on Boat dataset using JOIN, WHERE, GROUP BY, HAVING, ORDER BY.
- Analyzed product performance, revenue contribution, and top-selling categories.

### Customer Management System

*Python*

- Python-based CRUD app to manage customer records with input validation.
- Applied modular coding practices and clean architecture.

## EDUCATION

### B.Tech — Computer Science & Engineering

*College of Engineering Roorkee (COER) | Aug 2021 – July 2025*

Affiliated to Uttarakhand Technical University

### Intermediate (12th)

*Silver Oak Public School, Saharanpur | CBSE • 2021*

### High School (10th)

*Krishna International School, Saharanpur | CBSE • 2019*
